

COMPANY PROFILE

Savvee Consulting, a recognized name within the Navy, DoD, Homeland Security, and civilian agencies, was founded in 2003 with the mission of providing valuable leadership and technical solutions tailored to meet the needs of our clients. We are a Service Disabled, Veteran-Owned Small Business (SDVOSB), registered with the Small Business Administration.

Savvee employs only highly skilled IT Professionals—98% of whom hold degrees and/or professional certifications such as PMP, Lean 6 Sigma, DAWIA, CISSP, CMM, ITIL/ITSM, CAPM, etc.

Our Consultants are recognized experts in IT Governance disciplines including IT Portfolio Management, Capital Planning and Investment Control, IT Asset Management, Program Management, and Enterprise Architecture.

OUR VALUES

- Integrity
- Respect
- Accountability
- Excellence
- Team Work
- Appreciation
- Humility

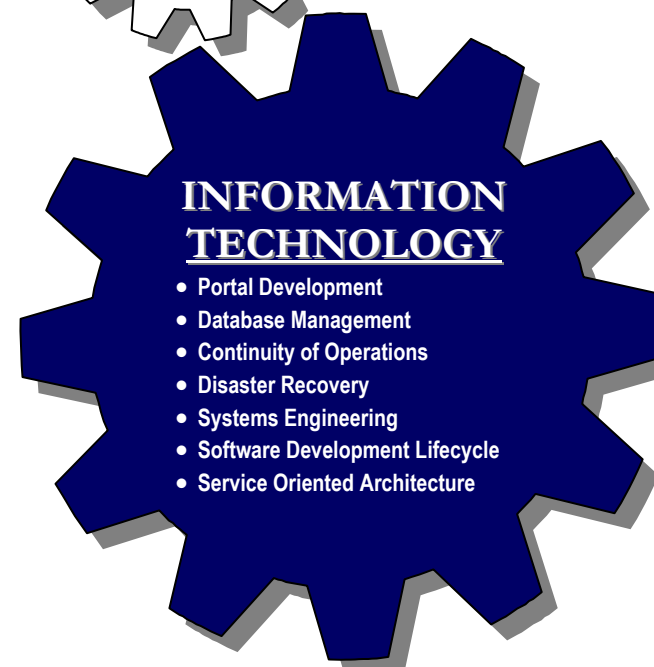

“... We are absolutely committed to our customer’s success...”

Savvee Consulting provides top-quality management, technical, and subject-matter expertise, across multiple government departments, that enables agencies and commands to meet their strategic goals.

CONSULTING SERVICES

Savvee Consulting offers solutions tailored to meet our customer’s specific challenges. Our approach is a well coordinated combination of methodology, technical expertise, and program management skills.

Savvee Consulting delivers comprehensive solutions that equip our customers—federal agencies, employees, and warfighters—with the exact tools they need to meet their strategic goals and accomplish their mission.
